

Announcing a new book
about

Doble Steam Cars

A 200-copy Limited Edition hardback size 229 x 162mm, containing over 54,000 words, over 250 pages over 170 drawings and pictures.

Most of the photographs are in colour and have been specially taken for this rare book and have never appeared in print before.

A TALE OF TWO DOBLES

The purpose of this book is to set out, for future generations, the trials and tribulations, the despair, the elation, the research needed, the lessons learnt and the technical and mechanical problems encountered during the complete dismantling, restoration and rebuilding to original specification of the rarest Doble there is "D2", and one of the Dobiles bought new by Howard Hughes, "E22". It also includes notes on the other 13 Dobiles still in existence.

For your copy (inc. p & p) make a cheque payable to "B. Herbert" for £35.

For ease of payment (inc Air Mail) for USA customers make a cheque payable to "B. Craske" for \$59. Send to:-

The Owls Press,
20 Walkington Rd,
Little Weighton,
East Yorkshire,
HU20 3UT,
UK.
